Sir:

AMENDMENT AFTER PAYMENT OF ISSUE FEE

The Issue Fee for this matter was sent to the U. S. Patent and Trademark Office by Express Mail on August 10, 2004. A review of the drawings present in this application, with respect to which the Issue Fee has been paid, suggests that the current drawings ought to be replaced with formal drawings.

Accordingly, a three page Appendix accompanies this amendment to deal with this issue. Specifically, this Appendix contains two pages of replacement formal drawings, which replace the original single page of informal drawings.

No drawing figures have been added or removed, and no new matter has been added.

Entry of this amendment and of the formal replacement drawings are respectfully solicited.

Amendments to the Drawings

Accompanying this amendment is a three page appendix containing two replacement drawing sheets which replace a single replaced drawing sheet. No figures have been added or removed, and no new matter has been introduced.
